5. to verify the Applicant and to analyse the information provided by the Applicant during the performance of the Project;

6. to communicate with the Applicant by sending notifications, requests, and data related to the Project, processing requests and Applications;

7. to comply with legal obligations established by applicable law.

The Applicant expresses his consent for the transfer (provision, access, distribution) and the order by the Company to third parties for the processing of personal data transferred by the Applicant to the Company within the framework of the Project, to the extent necessary for the implementation of the purposes of personal data processing specified in this Consent. The list of persons who process the Applicant's personal data and/or his Representatives on behalf of the Company and the addresses of such persons are indicated in the Privacy Policy.

We take precautions to protect your information. When you submit sensitive information via the Website, your information is protected both online and offline.

Wherever we collect sensitive information, that information is encrypted and transmitted to us in a secure way. You can verify this by looking for a closed lock icon at the bottom of your web browser, or looking for "https" at the beginning of the address of the web page. We use Stripe <https://stripe.com/> as a payment processor. We do not store any payment details collected from the customers.

While we use encryption to protect sensitive information transmitted online, we also protect your information offline. Only employees who need the information to perform a specific job are granted access to personally identifiable information. The computers/servers in which we store personally identifiable information are kept in a secure environment. Please be aware, however, that no method of transmitting information over the Internet or storing information is completely secure. Accordingly, we cannot guarantee the absolute security of any information.

The Company does not verify the personal data provided by the Applicant and cannot judge its reliability. The Company proceeds from the fact that the Applicant provides reliable and sufficient personal data and updates it in a timely manner; thus, the risk of providing inaccurate personal data is borne by the Applicant who provided it.

This Consent is provided from the date of its execution and is valid until it is withdrawn. The Applicant, the Representative of the Applicant, whose personal data are indicated in the Application, has the right to withdraw consent to the processing of their personal data at any time by sending a written notification to the Operator. The procedure for withdrawing consent is described in the Privacy Policy.

Please note that the Company reserve the right to modify the text of this Consent at any time, so please review it on a periodic basis.

This Consent is made in English language. We can provide you with a translation in Russian and other languages at your request. In case of any inconsistency or discrepancies between a non-English translation of this Consent and the English version, the English version shall prevail.

**FAITHFULLY YOURS,
NEXTERS GLOBAL LIMITED**
